

CELEBRATING COMMUNITY SHEROS AND HEROS

We also created events to celebrate the pride, beauty and Culture of African American people. By producing these annual events we uplift and showcase Wellness, Appreciation and Self Love. These events are:

Harriet Tubman Youth Leadership Awards, to date we honored 62 Youth Leaders from 13 schools from Sacramento and Elk Grove areas at our Annual Harriet Tubman Youth Leadership Awards.

Grandma Hands Tribute and Celebration to date we honored 91 Community Elders for encouragement, commitment and loving spirit that touched and transformed so many lives._ For paving the way and whom shoulders we stand.

At the **Black Excellence Celebration**, our community lifts up and celebrate our youth for graduating high school. We then perform a ceremony where we hear from the youth on their next steps after high school and what they need from their community.

We recognize Black Men in our community at the annual “**Men of Honor**” Awards, to date we recognized 61 strong and loving men in our community.
